IN MEMORIAM

Our mother and grandmother Frances J. Woodson, July 26, 1959.

THANK GOD FOR LITTLE THINGS

Thank you, God, for little things,
that often come our way—
The things we take for granted
but don't mention when we pray
The unexpected courtesy,
the thoughtful, kindly deed
A hand reached out to help us
in the time of sudden need
Oh make us more aware, dear God,
of little daily graces
That come to us with "sweet surprise"
from never-dreamed-of-places.

You are in our loving thoughts every day.
Sadly missed by
Sammy, Patsy, Connie and Tim

Local SS Advisory Board Elects Officers

Mr. E. N. Harvey, of Appomattox, and B. J. Lucado of Appomattox, were elected to the local Advisory Board at the Southern States Annual Membership meeting held in Appomattox on July 20. Over 40 stockholder-members and their families attended the session.

Mr. Edwin Anderson of Appomattox was named chairman of the local board, while John P. Alvis, Jr. of Concord was picked as sec.

Elected to the local Southern States Farm Home Advisory Committee were Mrs. E. E. Martin of Appomattox and Mrs. Fedrick L. Thomas of Appomattox.

Mrs. Cliff Plunkett of Appomattox was chosen as chairperson of the Farm Home Advisory Committee while Mrs. Carter Martin of Appomattox was named secretary.

Mr. B. J. Lucado of Appomattox was chosen as a delegate to represent the local membership at the Southern States Cooperative's 55th Annual Stockholders Meeting to be held in November. Mr. Edwin Anderson of Appomattox was named alternate.

Elected as delegate and alternate to a District Election meeting to be held in Lynchburg this fall, was John P. Alvis, Jr. of Concord named as delegate and H. W. Coleman of Pamplin named as alternate.

G. M. Slater of Richmond, a member of Southern States Cooperative's regional staff, in reporting on the over-all operations of the co-op for the past year, told the session that volume was over $373 million. His report also stressed the importance of farmer cooperatives in helping farmer-members attain a measure of economic security they have had before.

Through cooperatives, farmers have been able to work together to give themselves more control over the economics of farming. Cooperatives function in the competitive free enterprise system in a way that gives their member - owners the power to exert their influence to develop more favorable markets - - as well as more effectively to control the availability, quality and price of production supplies. They provide member-owners with the tools to exert a greater influence over their own destinies in spite of the uncertainties that are so much a part of farming.

The report on local operations and services rendered to farmer members was given by Ronald Coleman, co-manager of Coleman & Sons, Inc.

There was also a special recognition ceremony for new board/members, Farm Home Advisory Committee members, as well as those from these groups who were retiring. These included: W. E. Bondurant, Jr., H. W. Coleman, Mrs. O. B. Garris, and Mrs. J. A. Martin.

THE FASHION PLACE

Here comes a question to test your Fashion I.Q. - What's the favorite dress for Summer - '78? If you said "sundress," go to the head of the class. Because the cool sundress is the hot fashion look these days--and nights. Just add a shawl when the temperature goes down.

You've endless styles to pick from whether you're shopping in Sears stores or in the Catalog. Some sundresses fall loose in tiers and flounces; other sash with tiebelts. There are ruffly collars that go on-or-off the shoulder; camisole bodices, strapless elasticized tops. What all the styles have in common is that they're out-and-out feminine.

Sundress fabrics know how to beat the heat--look for lawn, batiste, broadcloth and breezy gauze. In colors, think white, pale pastels, new darks.

Show your fashion savvy. This summer, dress in a sundress!
